# October 2023

A calendar for October 2023. The dates are arranged in a grid. The background of the calendar grid features horizontal stripes in red, white, and blue, reminiscent of the US flag. The stripes are arranged in pairs: a red stripe followed by a white stripe, then a blue stripe followed by a white stripe, and so on. The dates are printed in a black, serif font. The first row contains dates 1 through 7. The second row contains dates 8 through 14. The third row contains dates 15 through 21. The fourth row contains dates 22 through 28. The fifth row contains dates 29, 30, and 31. The dates 29, 30, and 31 are positioned on a background of red and white stripes, while the other dates are on a background of blue and white stripes.
